- 

Order No.	Description	Options	Price
MIC34005-6	Color	Black, Clear	\$15.99

## Microplane 4-Sided Box Grater and Slicer--Easy Clean

\$29<sup>99</sup>

This four-sided box grater brings you four versatile, patented blades:

- Fine for zesting citrus or grating cheese
- Extra-coarse for semi-soft cheeses
- Medium ribbon for cheese and butter
- Slicer that's perfect for carrots, cucumbers and other vegetables
- 

One side of grater is removable for easy cleanup.

## Microplane Adjustable Slicer - Soft Touch Handle

Designed with the professional chef and home cook in mind, the new Adjustable Slicer features a contoured shape and non-slip feet for added strength and stability when slicing, and an ergonomic soft-touch handle in charcoal grey that's comfortable to use and ensures a safe, sure grip.

\$34<sup>99</sup>

## Microplane Gourmet Series Coarse Grater--Soft Grip

**Microplane Gourmet Series Coarse Grater**

- Reusable Cover included.
- Non-slip rubber foot.
- Stainless Steel
- Premium soft-touch plastic handle.

\$14<sup>99</sup> 

## Microplane Gourmet Series Extra Coarse Grater

The Microplane Gourmet Series Extra Coarse Grater is perfect for grating cheddar and other cheeses. The Microplane Extra Course Cheese Grate is strong enough to grate a wide range of fruit and vegetables, including apples, onions and potatoes. The end of this Microplane grater is designed with a no-slip feature, so your grater will hold steady while you work. Its ergonomic, soft touch handle provides comfort, as well as a strong grip.

 \$14<sup>99</sup>

## Microplane Gourmet Series Fine Spice Grater--Soft Grip

**The Fine/Spice Grater is ideal for grating all types of citrus peel without lifting off the fruit's bitter-tasting pith.**

It is also the perfect kitchen tool for grating a variety of hard spices, such as nutmeg, cinnamon, and cloves. All Microplane Gourmet Series Graters feature all stainless steel frame and blade construction, non-slip rubber feet, and charcoal black, ergonomic, soft touch handles for a more comfortable, sure grip.

## Microplane Gourmet Series Grater Attachment

Protect your hands with the Microplane Grater Attachment. Pair it with any Gourmet Series Grater to turn your grater into a grinder.

## Microplane Gourmet Series Large Shaver--Soft Grip

Designed with both the professional chef and home cook in mind, the expansive paddle-shaped Gourmet Series offers ample shaving surface. Great for roots, vegetable, and hard cheeses.

\$14<sup>99</sup> 

 \$14<sup>99</sup>

## Microplane Gourmet Series Medium Ribbon Grater

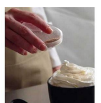

Due to the shape of its dual edged teeth, the Medium Ribbon Grater grates thin strips in two directions. Microplane graters feature all stainless steel frame and blade construction, non-slip rubber feet, and ergonomic, soft touch handles for a more comfortable, sure grip.

## Microplane Gourmet Series Small Shaver--Soft Grip

The Small Shaver creates light and fluffy shavings from Parmesan and other hard cheeses, as well as delicate wisps from chocolate that are perfect for baking and decorating. Additionally, the versatile Gourmet Series Small Shaver offers exceptional results when grating apples, butter, garlic and onion.
